

LONG DISTANCE INTRASTATE TELECOMMUNICATIONS SERVICE

2. DEFINITIONS (Cont'd)

Presubscribed Provider of Operator Services: The provider of Operator Services to which the Consumer is connected when the Consumer places a call using a provider of Operator Services without dialing an access code.

Responsible Organization (Resp. Org.): The carrier entity that has responsibility for the management of 800 numbers in the Service Management System (SMS) including maintaining Customer records in the SMS system. Also, the entity which accesses the SMS to: a) search for and reserve 800 numbers; b) create and maintain 800 number Customer records, including call processing records; and c) provide a single point of contact for trouble reporting. The SMS recognizes one Resp. Org. for each 800 number.

Service: Service means any or all service(s) provided pursuant to this price list.

Service Control Point (SCP): The real-time data base system in the service network that contains instructions on how Customers wish their calls to be routed, terminated or otherwise processed.

Service Points: Those cities from which the Company makes its services available to its customers

Special Access Line (SAL): A dedicated Analog DAL or Digital T-1 Access Line(s) directly connecting Customer's telephone equipment without using the Local Exchange Carrier's switching equipment.

Special Promotional Offering: Special discounts or modifications of the Company's regular service offerings which may, from time to time, be offered to its Customers for a particular service. Such offerings may be limited to certain dates, times, and locations.

Special Services: Denotes service provided and performed by the Company involving special engineering, design, programming, development or production activities to provide services requested by a Customer to meet special needs not otherwise provided under this price list.

Station: Any location from which a message can be originated or received.

Station-to-Station Call: A call placed to a telephone number, with the understanding that the caller will speak to any person who answers the called number.

Subscriber: A person or other entity that selects a telecommunications company to be the Presubscribed Provider of Operator Services for one or more locations within that person or entity's control.

Subscription Agreement: A standard form which includes all pertinent billing, technical, and other descriptive information which will enable the Company to provide the long distance service required.
