3. GENERAL RULES AND REGULATIONS (Cont'd)2 USE OF SERVICE (Cont'd)

3.2.3 Use of the services herein in a manner that could interfere with the services provided to other Customers, or harm the facilities of the Company or others, is prohibited.

3.2.4 In the event that the Company determines, based upon its sole judgment, that there is fraudulent use of either the services furnished by the Company or the Company's network, the Company will without liability to the Customer discontinue service and/or seek legal recourse to recover from the Customer all costs involved in enforcement of this provision.

3.2.4.1 Service may be discontinued by the Company, without notice to the Customer, by blocking traffic to or from certain locations, or exchanges, or by blocking calls using certain Customer authorization codes, such as calling card codes, which the Company deems, in its sole judgment, is necessary to take such action to prevent unlawful use of its services. The Company will restore service as soon as it can be provided without undue risk.

3.2.4.2 Without incurring any liability, the Company may discontinue the furnishing of service(s) to a Customer immediately and without notice if the Company deems, in its sole judgment, that such action is necessary to prevent or protect against fraud or to otherwise protect its personnel, agents, facilities or services.

3.2.5 The Company may, but is not required to, advise the Customer of abnormal calling patterns or other possible unauthorized use of facilities or calling cards assigned to the Customer. Additionally, the Company may, but is not required to, block calls on authorization codes which the Company believes to be unauthorized or fraudulent.

3.2.6 If a Customer utilizes a dedicated access line between the Customer's premises and the Company's service office for the origination or termination of calls, the Customer is responsible for payment of all charges for usage over that access line, including any usage which may be unauthorized by the Customer.

3.2.7 The use and restoration of service shall be in accordance with Part 64, Subpart D of the Federal Communications Commission's Rules and Chapter 480-120 WAC.

3.2.8 With the use of the Company authorization codes, the Customer agrees to pay the Company all charges incurred as a result of any delegation of authority whether authorized or unauthorized resulting in the use of its Company authorization codes.
