**3.10 TIMING OF CALLS**

3.10.1 Billable time for service is the duration of time between the called station answering and the called or calling station disconnecting; provided that, duration may be rounded in accordance with specific descriptions in this price list.

**3.11 SPECIAL SERVICES**

For the purpose of this price list, a "Special Service" is deemed to be any service requested by the Customer for which there is no prescribed rate in this price list. Special Service charges will be developed on an individual case basis.

3.11.1 Special Service charges will be based on the estimated cost of furnishing such services, including the cost of operating and maintaining such a service, the cost of equipment and materials used in providing such a service, the cost of installation, including engineering, labor supervision, transportation, and the cost of any other specific item associated with the particular Special Service request.

3.11.1.1 If at the request of the Customer, the Company obtains facilities not normally used to provide service to its customer, the cost incurred will be billed as a Special Service.

3.11.1.2 If at the request of the Customer, the Company provides technical assistance not normally required to provide service, the costs involved will be billed as a Special Service.

3.11.1.3 Where special signaling, conditioning, equipment, or other features are required to make Customer-provided equipment compatible with the Company service, the cost of providing these features will be billed as a Special Service.
