See Section 6.2

4.3 CALLING CARD SERVICE

4.3.1 Description - Calling Card Service is a one-way, dial in or out multipoint service. Calling Card Customers may originate calls from, and terminate calls to every city within Washington. Subscribers who originate calls can access the Company's Calling Card Platform by dialing a toll free 888 access number. This service is very simple; a single flat rate per minute applies regardless of time of day or jurisdiction to which a call is placed. Calling Card calls are billed in one (1) minute increments and are rounded to the next higher full minute. A per call surcharge will be charged to the Customer.

4.3.2 A Customer may subscribe to Calling Card Service without subscribing to other Company Services.

4.3.3 Usage Charges - The charges for Calling Card Service will be the usage rates appearing in Section 6.3 plus a per call surcharge.

800 SERVICES

4.4.1 The Company 800 Service is an inbound service originating on feature group facilities provided by the Local Exchange Carrier (LEC) and terminating on a regular business line, residential line, or a Special Access Line (SAL). This service enables the Customer to receive 800 service calls at their residence or place of business. 800 calls are billed in one (1) minute increments and are rounded to the next higher full minute. All 800 calls are billed at a single flat rate per minute regardless of time of day or jurisdiction. 800 calls can originate from every city within Washington.

4.4.2 Usage Charges - The charges for 800 Services will be the usage rates and feature charges appearing in Section 6.4.

4.4.3 The Company reserves the right to require an applicant for the Company 800 Service to supply the following information when requesting service: an initial traffic forecast, identification of anticipated busy hour, identification of its geographical marketing target areas, and a schedule of marketing and promotional activities. The Company may also require that a new traffic forecast be submitted by the Customer quarterly after service is initiated.
