A nonrecurring charge of \$25.00 applies for each addition or change to Toll-PAC routes.

Per Toll-PAC route to exchanges within forty miles of the customer's exchange and to second tier exchanges which are beyond forty miles:

A rate equal to a 15% discount over the rates for Message Telecommunication Service under 6.1.1 applies, and
The following minimum charge permonth per line applies:

Minimum Monthly
Charge Per Line

\$3.55

6.2.3.1 Description

Toll Personalized Area Calling (Toll-PAC) is a calling plan which allows a customer the option of placing toll calls to nearby communities within the LATA at a rate equal to a 15% discount over the rates for MTS that would otherwise apply to calls. A minimum charge applies each month which will be credited to the total discounted usage charges. All usage is billed with a thirty (30) second initial increment and in six (6) second increments thereafter.

6.2.3.2 Terms and Conditions

a. The rates for Toll-PAC are determined by V and H mileage between rate centers within the LATA. Toll-PAC rates are applicable only on the route for which the service is purchased.

b. Toll-PAC is available to business and residence customers when:

- The desired exchange is within forty miles of the subscribing customer's exchange or
Any rate center of the desired exchange is within forty miles of any rate center of the subscribing customer's exchange, or
The desired exchange is a second tier exchange from the subscribing customer's exchange.

LONG DISTANCE INTRASTATE TELECOMMUNICATIONS SERVICE

6. SERVICE CHARGES (Cont'd)**2.3.2 Terms and Conditions (Cont'd)**

- c. Toll-PAC calls must be dialed direct without the assistance of an operator, except:
- When an operator records the originating telephone number where no automatic recording equipment is available.
 - When an operator places a call for a calling party who identifies himself as being handicapped and is unable to dial the call because of the handicap.
 - When an operator reaches the called telephone number where facilities are not available for dial completion, except for toll stations which are excluded from the plan.
When an operator reestablishes a call which has been interrupted after the called number has been reached.
- d. The minimum monthly charge for each selected route applies to all lines or trunks terminating at one location or premises that are billed to the same account. There may be more than one account per premises.
- e. When a Customer elects to subscribe to Toll-PAC the rate remains in effect for a period of at least thirty days on each route subscribed to.
- f. This service is available where facilities and operating conditions permit
- g. A Customer may elect to subscribe to a maximum of three routes.
- h. Toll-PAC is available only on toll routes that meet the above conditions.
- i. Toll-PAC is available only to customers who were subscribing to the equivalent service offered by US WEST Communications, Inc. on March 31, 2000.
